Eisten to the Pritics

The chef here pays careful attention to every detail, from the excellent focaccia ... to the perfectly seasoned vinaigrette that adorns the house salad ... to the interesting game specialties such as quail, venison and buffalo. La Grotta a favorite place to escape.

S. Ifan Rhys Style Weekly July3, 2000

La Grotta has the feel of authenticity ... rough plaster ... dark wood...black metal...crisp white linens...and sounds of spoken Italian....Come under the spell.

10th Annual Restaurant Awards Style Weekly July 6, 1998

When the food is this good ... there's no need for pretense ... That's true for the plate presentations ... which are elegant in their simplicity ... It's true for the décor, which is low-key.
